Westminster, MD – The Wakefield Valley area water tank is going to be repainted in the early Spring of 2013. Current activity going on around this area is temporary for the cell phone carriers to remove their equipment for the water tank to be repainted. The cell towers will remain in service for the project duration. Cell tower equipment will be re-attached to the tank at the conclusion of the project and the temporary equipment will be removed. This project will not require any new construction, and should be completed within a few weeks.

For questions or more information, please call the Information Desk at 410-848-9000.
